Hi Kathy,

That's great thank you. In addition to that, can you please update the attached excel for me quarterly as well? You sent me this helpful key for the Reg LOC IDs and their corresponding addresses back in March, but I see now from Table 1 we're up to 492.

Thanks,  
Eleni

Good Morning Eleni,

At this point for the CWKs RES Table 1 [all program results by Regulatory Location ID (REG LOC ID)] and Figure 1 (all sampling locations by REG LOC ID) will be updated each time we submit the next quarter's OM&M report. Table 1, Figure 1 and the OM&M report on the website will then be replaced with the updated versions. I assume we will also replace the CWKs RES SOPs sometime in May when we revise that document.

Kathy
